**Re: Docket No. EMP-109, Sub 0
In the Matter of Application of Camden Solar LLC for a Certificate of Public
Convenience and Necessity to Construct a 20-MW Solar Facility in Camden County,
North Carolina**

Dear Ms. Campbell:

Please accept for filing the attached Renewable Energy Purchase Agreement, under which the Applicant, Camden Solar LLC, will sell energy and renewable energy credits to a corporate offtaker in PJM. The Applicant is providing this document in response to the Commission’s directive that the Applicant “provide any PPA agreements, REC sale contracts, [or] contracts for compensation for environmental attributes for the output of this facility” in its June 22, 2020 *Order Cancelling Expert Witness Hearing and Requiring Additional Testimony*; and as a supplement to the *Pre-Filed Supplemental Testimony of Whitney Rubin* filed by the Applicant on July 15, 2020.

This agreement contains “trade secret” information as defined under the North Carolina Trade Secrets Protection Act, G.S. § 66-152. At the request of the offtaker it is being filed confidentially, with some commercial terms redacted.

Please contact me if you have any questions. Thank you.

Very truly yours,

Benjamin L. Snowden
