Re: *Request for Amended Scheduling Order*
Docket No. G-5, Sub 667

Dear Ms. Dunston:

On October 23, 2023, Public Service Company of North Carolina, Inc., d/b/a Dominion Energy North Carolina (“PSNC” or the “Company”) and Enbridge Parrot Holdings, LLC filed with the North Carolina Utilities Commission (“Commission”) in the above-referenced proceeding their Joint Application for authorization to engage in a business combination transaction.

On January 10, 2024, the Commission issued an Order Scheduling Hearings, Establishing Discovery Guidelines, and Requiring Customer Notice (“Scheduling Order”), among other requirements, scheduling public hearings for the purpose of receiving public witness testimony in this proceeding. The Commission directed the Company to mail to its customers, as a bill insert or by separate mail, a Notice of Hearing and to file a certificate of service of the Notice of Hearing. On May 13, 2024, and May 14, 2024, the public hearings were conducted as scheduled and no public witnesses appeared.

It has recently come to the Company’s attention that due to an administrative oversight the publication of notice directed by the Scheduling Order did not occur, and the Company did not file its certificate of service of the notice. The Company apologizes for the oversight and respectfully requests that the Commission issue an amended scheduling order setting a new public witness hearing date and appending an updated Notice of Public Hearing for publication. When the Commission issues an amended scheduling order, PSNC will expedite mailing the notice to all customers.
