RE: Docket No. P-100, Sub 137C

Dear Mrs. Mount:

Pursuant to ordering paragraph number 3 of the Commission's Order Approving All-Services Distributed Overlay Option to Provide Area Code Relief, issued on August 13, 2014 in the above-styled docket, the Joint Telecommunications Carriers ("JTC") hereby submit their third 336 overlay implementation status report. With the start of mandatory 10-digit dialing on April 23, 2016, the Customer Education and Technical subcommittee (an industry group comprised of carriers that provide service in the area code relief area) has completed their work on customer education and technical tasks for the implementation of the 336 overlay.

The second notification for mandatory 10-digit dialing for customers, Alarm and Safety, Directory, Pay Telephone and PSAP associations or organizations was distributed by March 23, 2016 and the technical milestones were completed in preparation for the start of mandatory 10-digit dialing. The mandatory 10-digit dialing press release was issued by April 18, 2016.

Since there have been no issues reported by the Customer Education and Technical subcommittee, this will be the final status report by the JTC in light of the successful implementation of the 336 overlay.

Thank you for your assistance with this matter, and feel free to contact me with any questions.

Very truly yours,

/s/Mary Lynne Grigg
