Re: Whiskey Solar LLC Clarification of Address, NCUC Docket # SP-5267 Sub O

Dear Honorable Chief Clerk Mount

This letter is to correct and clarify the site location address for Whiskey Solar in Montgomery County North Carolina. The correct site location address for the solar generating facility is to be located at **105 S. Whiskey Road** in Candor, NC. And not **150 S. Whiskey Road** in Candor, NC.

Please provide an updated Order Requiring Publication of Notice at your earliest convenience.
