Re: Docket Nos. ER-55, Sub 0, and ER-39, Sub 1 (transfer of Aspen Charlotte)

Dear Mr. Stasica:

This correspondence concerns the electric reseller transfer application filed with the North Carolina Utilities Commission (Commission) in the above-referenced dockets.

The Public Staff believes that the application is not yet complete for the reasons set forth in various filings in the dockets. Under North Carolina law, a completed electric reseller application is deemed approved if no Commission action is taken on it within 60 days of filing. If you desire to pursue the application further, please file all missing information and exhibits or corrections as noted in the various filings in the dockets. The statutory time for the Commission's review of the application will begin once a completed application is received.

Sincerely,

Electronically submitted  
/s/ Elizabeth A. Denning
