**Subject:** Docket E-100, Sub 180CS

To Whom it May Concern:

I'm writing to urge you to reject Duke Energy's petition to change the rules on net metering which would make rooftop solar less accessible. This would be occurring at a time when climate scientist say we must be greatly stepping up efforts to decarbonize.

Please consider the long-term effects of Duke Energy's petition, and do not approve it.

Thank you.
