CHAIRMAN FINLEY: The Commission has convened this hearing in Docket Number W-354, Sub 344. The case was originally scheduled today to hear the technical case from the parties. Motions have been filed in the case to postpone that part of the hearing but we have convened this afternoon in the event that any public witnesses might appear to be heard in the case.

Ms. Holt, have you identified any public witnesses in the hearing room?

MS. HOLT: No, I haven't.

CHAIRMAN FINLEY: And are you aware of any potential witnesses based on communications you might have had over the internet or otherwise?

MS. HOLT: No, I'm not.

CHAIRMAN FINLEY: That being the case, we will dispense with the normal preliminaries that we go through to announce what we're going to do, and we will bring this hearing to a close and reconvene it after we get the motion from the parties indicating when they want to refile the case. So we will be adjourned.

(WHEREUPON, the proceedings adjourned at 2:05 p.m.)
