PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing in the annual Renewable Energy and Energy Efficiency Portfolio Standard (REPS) cost recovery proceeding for Duke Energy Progress, LLC (DEP). The public hearing has been scheduled to begin immediately following the hearing in Docket No. E-2, Sub 1173, which is scheduled to begin at 9:30 a.m., on Tuesday, September 18, 2018, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. This proceeding is being held pursuant to the provisions of G.S. 62-133.8 and Commission Rule R8-67 for the purpose of determining whether an increment or decrement rider is required to allow DEP to recover all reasonable and prudent incremental costs incurred to comply with the statutory REPS requirement and to consider DEP's annual REPS compliance report. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

Duke Energy Progress filed its annual REPS compliance report and an application and testimony relative to the subject matter of the proceeding on June 20, 2018. By its application, DEP proposes to implement the following REPS rates (including regulatory fee), effective for service rendered on and after December 1, 2018: \$1.42 per month for residential customers; \$7.96 per month for general service/lighting customers; and \$73.17 per month for industrial customers. DEP's proposed new REPS rates, if approved, would result in increases in the current REPS rates (including regulatory fee), as follows: residential, \$0.87 per month; general service/lighting, \$1.54 per month; and industrial, \$14.46 per month.

Further information may be obtained from the Office of the Chief Clerk, North Carolina Utilities Commission, 430 North Salisbury Street, Raleigh, North Carolina, where a copy of DEP's application and its annual REPS compliance report are available for review by the public. Also, documents may be viewed on the Commission's website at [www.ncuc.net](http://www.ncuc.net).
