Planning in North Carolina – 2009	)	

NOW COMES THE PUBLIC STAFF – North Carolina Utilities Commission (Public Staff), by and through its Executive Director, Robert P. Gruber, and respectively requests the Commission to issue an order extending the time for filing proposed orders or briefs in this docket.

On March 17, 2010, in open hearing, Commission Culpepper, presiding, ordered that proposed orders or briefs be due thirty days from the mailing of the transcript of the hearing that commenced on March 16, 2010 in regard to the integrated resource plans of the investor-owned utilities filed in Docket No. E-100, Sub 124. Such transcript was mailed on April 13, 2010. Due to the press of other business, the Public Staff requests an extension of the due date for proposed orders or briefs to June 11, 2010. The Public Staff has contacted by electronic mail the parties to the Docket No. E-100, Sub 124 proceedings and they have not objected to the proposed extension.

Therefore, the Public Staff moves:

1. For an extension of time until June 11, 2010, for all parties to Docket No. E-100, Sub 124 to file their proposed orders or briefs;
2. For such further and other relief as the Commission may deem just and proper.
