Re: Docket No. E-100, SUB 90

NC GreenPower Board Appointments

I respectfully submit for consideration the following self-nomination for appointment to the NC GreenPower Board of Directors Energy Finance seat. I am currently serving in this capacity and have served on the board since 2016. I feel that my background in finance, and specifically my current role as Co-Director for the North Carolina Clean Energy Fund (NCCEF), is well suited to assist the board with any necessary energy finance work.

NCCEF is a nonprofit organization with a mission to accelerate investment in clean and efficient energy solutions and increase climate resilience in North Carolina, particularly to the benefit of underserved populations. In addition to my work at NCCEF, I have previous experience at the North Carolina Department of Transportation, Nicholas Institute for Environmental Policy Solutions at Duke University, and the Environmental Finance Center at UNC-Chapel Hill. As a member of the NC GreenPower board of directors, I will continue to call upon this knowledge of clean energy policy and financing to advance clean energy in North Carolina.

Thank you for your consideration. If you have any questions or need further detail, please do not hesitate to contact me.

Warm Regards,

Jennifer Weiss
Co-Director
North Carolina Clean Energy Fund
