BY THE COMMISSION: Notice is given that the North Carolina Utilities Commission has granted a rate increase to John T. Billingsley, et al. (Applicant), for water utility service provided in Dogwood Acres Subdivision in Rockingham County, North Carolina.

The Commission's decision followed customer notice and investigation by the Public Staff – North Carolina Utilities Commission (Public Staff). The Commission issued an Order on July 24, 2017, requiring the Applicant to provide customer notice stating that the matter may be determined without public hearing if no significant protests were received subsequent to customer notice. No customer protests were received. On October 6, 2017, the Commission ordered that the hearing be canceled due to the lack of protests received and the fact that the Public Staff informed the Commission that an evidentiary hearing would most likely not be necessary.

The new rates for water utility service are as follows and are effective for service rendered on and after the date of this Notice.
