RE: NCUC Docket No. E-100 Sub 90,
NC GreenPower Board Appointments

Dear Ms. Dunston:

Per the approved program plan for NC GreenPower, NC GreenPower requests that the North Carolina Utilities Commission (NCUC) begins to accept nominations to appoint three Director seats for the NC GreenPower Board of Directors whose terms are set to expire September 30, 2022. The appointment term for each seat will be for three years, or through September 2025. Listed below are the individuals and their respective seats that expire this Fall:

Sharon Allan	Consumer/Environmental Advocacy
Connie Oldham	Consumer/Environmental Advocacy
Ewan Pritchard	Unspecified Technology

In order for individuals to have sufficient time to nominate themselves or others to be considered for appointment, and for the NCUC to make timely new appointments or reappointments, it is our hope that the nomination period will be open through Friday, October 28, 2022. Thank you for your consideration.

Sincerely,

Victoria McCann
Vice President
