Subject: FW: Docket E-100, sub 83 net metering

APR 11 2014

**Clerk's Office
N.C. Utilities Commission**

My name is Mark Ferri and I'm writing to let you know that **I DO NOT support** changes to net metering that will hurt rooftop solar in NC. A few months ago we installed rooftop solar panels at a cost of over \$30,000 believing that we would be able to net meter.

I do not support changes to net metering that will kill rooftop solar in North Carolina.

Please oppose changes to net metering.

Thank you,
Mark Ferri
