**STATE OF NORTH CAROLINA

DOCKET NO. E-2, SUB 1219

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of		
Application of Duke Energy Progress, LLC, for Adjustment of Rates and Charges Applicable to Electric Utility Service in North Carolina	)	
	)	JOINT STIPULATION OF FACTS
	)	
	)	

NOW COME Duke Energy Progress, LLC (“DE Progress” or the “Company”); the Public Staff – North Carolina Utilities Commission (the “Public Staff”); and Hornwood, Inc. (“Hornwood”) (collectively referred to herein as the “Stipulating Parties” or any one of them individually as a “Stipulating Party”), through counsel, and hereby jointly stipulate that the following facts are uncontested and should be entered into the record of this DE Progress expert testimony hearing (“DE Progress hearing”) (“Joint Stipulation of Facts”):

1. Hornwood has four active accounts with DE Progress, one of which is billed under the Large General Service (“LGS”) rate schedule.
2. Subsequent to the testimony of Public Staff witness Jack Floyd in the evidentiary hearing in this matter, DE Progress reviewed again the number of customers enrolled its Large General Service (Real Time Pricing) Schedule (“LGS-RTP”). The Company has determined that there was one available customer slot within the 85-customer cap and that Hornwood was next in the queue. Hornwood has elected to enroll its LGS account in the Company’s LGS-RTP Schedule.
3. As of today’s date, there are no available slots under the 85-customer LGS-RTP cap.

WHEREFORE, the Stipulating Parties request that:

1. The Commission move the Joint Stipulation of Facts into the record in the DE Progress hearing in Docket No. E-2, Sub 1219; and

2. For such other and further relief as the Commission may deem just and proper.

Respectfully submitted, this the 5th day of October, 2020.
