Subject: Re: Clarke Utilities-Written Acceptance of Public Staff's Recommendations

Clarke agrees with the Public Staff adjustments and recommend rates. Earlier today Clarke presented a draft proposed order to the Public Staff that if approved cancels the hearing and approves agreed upon rates. The draft uses the Sub 5 order process. It addresses all substantive and procedural issues and would terminate the case and permit the rates to go into effect.

Reita,

Did Clarke Utilities send you a written email or letter stating the Company agrees with the Public Staff's recommended adjustments, proposed revenues, and proposed rates that you could file in the docket? An email filed in the docket will be sufficient.

Please let me know.

Thank you.
Freda
