**PETITION OF NCSEA TO INTERVENE**

Pursuant to North Carolina Utilities Commission (“Commission”) Rules R1-5, R1-7, and R1-19, the North Carolina Sustainable Energy Association (“NCSEA”) hereby petitions to intervene in the above-referenced docket. In support of this petition, NCSEA states as follows:

1. NCSEA is a non-profit corporation formed under the laws of North Carolina, with individual, business, and government members located across the State. NCSEA’s mission is to promote a sustainable future through the use of renewable energy and energy efficiency programs. NCSEA seeks to achieve its objectives by advocating for public policies that encourage the responsible technological and market development of renewable energy and energy efficiency, including all aspects of demand side management, a smart grid, energy storage, and vehicle electrification.
2. NCSEA has frequently appeared before the Commission as an intervenor in dockets involving integrated resource planning (“IRP”). *See, e.g.*, Commission Docket No. E-100, Sub 157; Commission Docket No. E-100, Sub 147; Commission Docket No. E-100, Sub 141; Commission Docket No. E-100, Sub 137; Commission Docket No. E-100, Sub 128; and Commission Docket No. E-100, Sub 118. The IRP, however, is “not intended to provide an occasion for the issuance of mandatory orders requiring substantive changes in

a given utility's operations." *Utilities Comm. V. N.C. Electric Membership Cor.*, 105 N.C. App. 136, 143, 412 S.E.2d 166, 170 (1992). Consequently, a party like NCSEA that desires a specific utility "to take or to refrain from taking some specific substantive action[.]" *id.* at 144, 412 S.E.2d at 171, must seek to involve itself in a specific, substantive proceeding, such as this one.

3. NCSEA has frequently appeared before this Commission as an intervenor in these types of dockets. NCSEA has intervened in application for certificates of public convenience and necessity proceedings and has provided informational letters to the Commission regarding such applications. *See, e.g.*, Commission Docket No. E-2, Sub 1089; Commission Docket No. E-2, Sub 1063; Commission Docket No. E-2, Sub 1056; Commission Docket No. E-2, Sub 1055; Commission Docket No. E-2, Sub 1054. NCSEA was also party to Duke Energy Progress, LLC's application for a certificate of public convenience and necessity proceeding for the Mount Sterling Microgrid Project. *See*, Commission Docket No. E-2, Sub 1127.

4. NCSEA's participation in this docket will bring critical insight, knowledge, and understanding to the proceeding.

5. NCSEA's address is 4800 Six Forks Rd, Suite 300, Raleigh, NC 27609. All correspondence related to this proceeding should be addressed to:

6. Pursuant to Commission Rule R1-39, NCSEA agrees to electronic service of all pleadings and other filings in this matter.

**WHEREFORE**, for the reasons set forth above, NCSEA prays that it be allowed to intervene in this matter.

Respectfully submitted this the 10<sup>th</sup> day of October, 2018.
