Re: Docket No. W-1333, Sub 5 – Application for Certificate of Public Convenience and Necessity and for Approval of Rates to Provide Water & Sewer Utility Services in Currituck County

Dear Ms. Dunston:

On November 14, 2023, Currituck Water and Sewer, LLC (Currituck) filed an amended application and confidential exhibit in Docket No. W-1333, Sub 5. Currituck did not serve the Public Staff. The Public Staff contacted Currituck's counsel regarding the oversight on Monday, November 27, 2023, and filed a letter notifying the Commission of the same on Friday, December 1, 2023. Currituck served the Public Staff the files labeled Amended Application and Exhibit – Carolina Village-Confidential on December 5, 2023, and December 13, 2023, respectively.

The Public Staff has reviewed the amended application and confidential exhibit, and the information therein addresses the items listed in the letter the Public Staff filed in the docket on October 5, 2023. The Public Staff is of the opinion that the docket now includes all the information required for a complete application.

If you have any questions, please do not hesitate to contact me.

Sincerely,
Electronically submitted
