Hi, Lon,

It looks like the best time for non-Duke folks is Feb 7 from 2-5pm. Will that work?

Thanks,
Nick

Hi, Lon,

This has proved more difficult to schedule than I'd hoped. We didn't identify a good time slot with the When2Meet I circulated. Since I'm not sure which Duke folks need to attend, what I'd like to do now is try again with the non-Duke folks, aiming for the weeks of Feb. 6 and 13, and then share the best times with the Duke team.

Best,
Nick

Hi Nick,

Yes, our team has continued to think on this and we would definitely be open to more discussions in the new year.

Based on the timing of the holidays and the focus on the upcoming filings, I think getting back to together mid - late January would make the most sense for continued discussions.

Can you send us a few dates/times the week of the 23rd that would work for you and others you would like to invite to the discussion?

Happy Holidays,

Lon

All,

I've added Lucas Grimes from CRS, whom I think many of you know already.

Following up on our conversation on the 8th, I'm curious if you all at Duke have any further thoughts or analysis you could share, and whether you'd be open to continuing the discussion in the new year.

If we don't speak sooner, happy holidays!

Best,
Nick
