Re: Docket No. SP- 5434, Sub 0
Johannes Gutenberg Solar, LLC – Amended Application for a Certificate of Public
Convenience and Necessity

Dear Clerk Mount:

The Certificate of Public Convenience and Necessity is being amended to reflect the reduction of a parcel for the facility site, the change of planned lease to an executed lease and removal of a proposed easement for the Atlantic Coast Pipeline. The pipeline is being rerouted outside of the boundaries of the site. The following reflect the changes to the application:

1. Exhibit 1, (iv)
 - a. Change “The facility will be located on a minimum of six parcels” to “The facility will be located on multiple parcels”.
 - b. Add “4. An affiliate of Applicant has executed lease with Paul Stephenson, Linda K. Stephenson and Sarah S. Baird.” in the list of leases applicant has executed.
 - c. Delete “Applicant may execute a lease with Paul Stephenson, Linda Stephenson & Sarah Baird”
2. Exhibit 2, paragraph (i), delete “potential easement of Atlantic Coast Pipeline, potential lease of Stephenson Property”
3. Attachment 1 and 2 to Exhibit 2. Substitute the maps in Attachments to Exhibit 2 with the ones attached.

No other changes to the application are being made to the CPCN at this time. Thank you for your assistance.

Sincerely,

Juergen Fehr
