Dear Commission,

I am writing to object to the proposed merger between Duke Energy & Piedmont Natural Gas.

As a concerned North Carolina citizen, especially in Charlotte I would like to take the time to acknowledge my disagreement with what Gov.

Pat McCrory has done with his best friends Duke Power! I always give people the benefit of the doubt until I am sure they are beyond hope and he is beyond hope. The lives of every citizen are at stake and all at the gain of Duke Power. How can we live in 2016 and allow this to happen? Does Pat McCrory represent the people or Duke Power? It is beyond possible to agree with his decisions and I hope that no one will continue to turn a blind eye to this.

Sincerely,

Matthew Smith
