BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of		
Investigation Regarding Consolidation of	)	ORDER POSTPONING
Water and Wastewater Utilities and the	)	TECHNICAL CONFERENCE
Utilization of Uniform Rates	)	

BY THE CHAIR: On September 18, 2023, the Commission issued an order scheduling a technical conference to be held on October 11, 2023, to consider whether the uniform rate paradigm for water and wastewater utility systems continues to serve the public interest. The Commission directed the Public Staff, Aqua North Carolina, Inc. (Aqua), and Carolina Water Service, Inc. of North Carolina (CWSNC) to participate in the technical conference and to file presentation materials on or before October 6, 2023.

It has come to the Commission's attention that Aqua and CWSNC were not properly served with the September 18, 2023 order. The Chair, therefore, finds good cause to postpone the technical conference currently scheduled for October 11, 2023. The technical conference will be rescheduled and new dates established for filing presentation materials by further order of the Commission.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 10th day of October, 2023.
