Subject: Docket E-100, Sub 83 Net Metering

JUL 11 2014

Clerk's Office
N.C. Utilities Commission

Dear Chief Clerk of the Commission,

My name is Xiaorong Tai and I am a rooftop solar system owner and a current net metering subscriber. I believe net metering is vital in keeping the momentum going for residents like me to install more solar systems on their rooftop in the great state of North Carolina. I DO NOT support changes to net metering that will kill rooftop solar in our state. Please stop the proposed changes.

Regards,

Xiaorong Tai
