BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of)	
Revocation of Registration of Renewable)	ORDER REVOKING REGISTRATION
Energy Facilities and New Renewable)	OF RENEWABLE ENERGY
Energy Facilities Pursuant to)	FACILITIES AND NEW RENEWABLE
Rule R8-66(f) – 2018)	ENERGY FACILITIES

BY THE COMMISSION: On August 7, 2018, the Commission issued an Order giving notice of its intent to revoke the registration of 137 new and renewable energy facilities because their owners had not completed or filed the annual certification required each April 1 as detailed in Commission Rule R8-66(b)(9). According to Commission's records, and records maintained in North Carolina Renewable Energy Tracking System (NC-RETS), the owners of the 36 new and renewable energy facilities listed in Appendices A and B did not complete their annual certification on or before October 1, 2018, as required by the Commission's August 7, 2018 Order, nor has an annual certification been completed for these facilities as of the date of this Order.

The Commission, therefore, finds good cause to revoke the registrations of the 36 facilities listed in Appendices A and B effective October 1, 2018.

IT IS, THEREFORE, ORDERED as follows:

1. That the registration previously approved by the Commission for the 36 facilities listed in Appendices A and B shall be, and are hereby, revoked effective October 1, 2018;
2. That the NC-RETS Administrator shall not allow the owners of the facilities listed in Appendices A and B to establish those facilities as "projects" in NC-RETS;
3. That the NC-RETS Administrator shall not allow any NC-RETS account holder to import from the facilities listed in Appendices A and B renewable energy certificates (RECs) that are dated October 1, 2018 or later;
4. That any RECs dated October 1, 2018 or later earned by one of the facilities listed in Appendices A and B whose registration has been revoked pursuant to this Order are ineligible to be used by an electric power supplier for compliance with the Renewable Energy and Energy Efficiency Portfolio Standard;
5. That in the future, should the owner of a facility whose registration has been revoked pursuant to this Order wish to have the energy output from its facility become eligible for compliance with the Renewable Energy and Energy Efficiency Portfolio Standard, the owner must again register the facility with the Commission;
6. That the NC-RETS Administrator shall post a copy of this Order on the home page of the NC-RETS web site; and

7. That the Chief Clerk shall serve a copy of this Order on all of the parties in Docket No. E-100, Sub 113.

ISSUED BY ORDER OF THE COMMISSION.

This the 30th day of October, 2018.
