ORDER GRANTING MOTION
FOR EXTENSION OF TIME

BY THE CHAIRMAN: On March 29, 2018, the Commission issued an Order scheduling the above-captioned docket for hearing and establishing procedural deadlines. Pursuant to that Order, the deadline for the filing of testimony by the Public Staff and parties, other than DEC, is May 21, 2018.

On May 21, 2018, the Public Staff filed a motion requesting that the Commission extend the deadline for the filing of testimony by two days, to May 23, 2018. In support of its motion, the Public Staff states that, through conversations with counsel for DEC, the Public Staff is aware that DEC intends to file additional supplemental testimony, and that its requested extension would allow time for the Public Staff and the other parties to review DEC's additional supplemental testimony. In addition, the Public Staff states that it contacted the other parties to this proceeding and they did not object to the requested extension. Finally, the Public Staff states that DEC has also agreed to the requested extension, and further agreed that DEC should not need a commensurate extension of the deadline for the filing of its reply testimony in this proceeding.

Based on the Public Staff's motion and the record herein, the Chairman finds good cause to grant the Public Staff's motion, allowing the Public Staff and parties, other than DEC, to file testimony in this docket on or before May 23, 2018.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 21st day of May, 2018.
