BY THE PRESIDING COMMISSIONER: On August 6, 2008, Southern Alliance for Clean Energy (SACE) filed a petition to intervene in the above-captioned proceeding. The petition states that SACE has members in North Carolina and in the service area of Duke Energy Carolinas, LLC (Duke), who use electricity and who are affected by economic and environmental impacts directly associated with new generation systems. Members of SACE would be directly and substantially impacted by decisions of the Commission regarding Duke's solar photovoltaic distributed generation program.

On August 6, 2008, SACE filed a motion with the Commission seeking authority for the out-of-state-attorney hereinafter listed to practice pro hac vice in the above-captioned docket. The Presiding Commissioner is of the opinion that good cause exists to grant the motion for admission pro hac vice.

IT IS, THEREFORE, ORDERED as follows:

1. That SACE should be, and hereby is, allowed to intervene in the above-captioned docket; and
2. That SACE's motion for admission pro hac vice in the above-captioned docket should be and hereby is allowed; and
