Re: Docket No. P-100, Sub 137c

Dear Ms. Mount:

On March 11, 2014, the Commission issued an Order in Docket No. P-100, Sub 137c requesting comments on area code relief for the geographic area covered by the 336 NPA. The Commission's Order required that comments be accompanied by an executive summary. The Public Staff's comments, filed June 10, 2014, did not include the required executive summary. Please accept the attached executive summary to be included with our comments.

By copy of this letter, I am forwarding a copy to all parties of record or their attorney.

Sincerely,

Electronically submitted
