Forwarded message (2) of (2) received from Timothy J. Pharr. Ms. Pharr spoke at the County Commissioner's meeting of Washington CO., on Dec. 7 and displayed the dummy bomb shown in the attached photos. Ms. Pharr now lives in her parent's home at 1467 Albemarle Beach Rd., Roper, NC, across the state road from the site proposed in the application shown on the Subject Docket Number.

>Subject: Fw: Steal label on middle. You can see the date 1951 on the side. Called Navy Bomb disposal..they confirmed two things... 1. It was a surface to air middle & a dummy. 2. Albemarle Beach was a bombing target.We also found other pieces of bombs when mother used a backhoe to dig her pool in the 70s.
