Re: Aqua North Carolina, Inc., Docket Nos. W-218, Sub 497 & 497A
Request for Extension of Time to File Tenth Semi-Annual Report
Regarding Secondary Water Quality Concerns

Dear Ms. Jarvis:

Aqua North Carolina, Inc. (“Aqua” or “Company”) hereby files a request for an extension of time until Monday, March 11, 2019, to file the Report, which is required by the Commission, jointly made by Aqua and the Public Staff, and due to be filed today. Aqua and the Public Staff have been diligently working to finish the Report. However, areas of significant disagreement between the parties have arisen which require additional time to resolve before a Report can be filed, thereby necessitating this request for an extension of time.

Aqua is authorized to state that the Public Staff does not oppose this request. The Attorney General and Intervenor Eric Galamb, the only other parties to Docket No. W-218, Sub 497, are being contacted electronically to ask if they oppose it, and have been served with a copy of the Company’s request for extension of time.

As always, thank you and your staff for your assistance; please feel free to contact me if there are any questions or suggestions.

Sincerely,
Electronically Submitted
/s/Jo Anne Sanford
