

3. Formal discovery requests related to the application and the Applicant's prefiled direct testimony shall be served on the Applicant not later than fourteen days prior to the deadline for filing of Public Staff and intervenor testimony. The party served shall have up to ten calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than ten days prior to the deadline for filing of Public Staff and intervenor testimony.

4. Formal discovery requests of the Public Staff or intervenors shall be served not later than three days after such testimony is filed. The party served shall have up to three calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than five days after that party's testimony was filed.

5. Formal discovery requests related to the Applicant's prefiled rebuttal testimony shall be served on the Applicant not later than two days after such testimony is filed. The party served shall have up to two calendar days to file with the Commission objections to the discovery requests on an item-by-item basis, but in no event shall objections be filed later than three days after the rebuttal testimony was filed. Discovery related to rebuttal testimony shall be limited to new material introduced in such rebuttal testimony and will be carefully scrutinized upon objection that such discovery should have been sought during the initial period of discovery from the Applicant.

6. Discovery requests need not be filed with the Commission when served; however, any party filing objections shall attach a copy of the relevant discovery request to the objections. Each discovery request, or part thereof, to which no objection is filed shall be answered by the time objections are due, subject to other agreement of the affected parties or other order of the Commission. Upon the filing of objections, the party seeking discovery shall have two days to file a motion to compel with the Commission, and the party objecting to discovery shall have one day thereafter to file a response. All objections, motions to compel, and responses shall be served on the other affected party at or before the time of filing with the Commission.

7. A party shall not be granted an extension of time to pursue discovery because of that party's late intervention or other delay in initiating discovery.

The Commission recognizes that in the past most discovery has been conducted in an informal manner without the need for Commission involvement or enforcement, and that such has been generally successful. The above guidelines are without prejudice to the parties conducting informal discovery or exchanging information by agreement at any time with the understanding that such will not be enforceable by the Commission if outside the guidelines.

IT IS, THEREFORE, ORDERED as follows:

1. That a public hearing shall be, and is hereby, scheduled to begin immediately following the hearings in Docket Nos. E-22, Subs 603 and 604, which are scheduled to

begin on Tuesday, November 16, 2021, at 10:00 a.m., in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, for the purpose of considering the annual fuel and fuel-related cost recovery proceeding for DENC;

4. That DENC may file rebuttal testimony and exhibits on or before Monday, November 8, 2021;

5. That DENC shall publish the Notice attached hereto as Appendix A in a newspaper or newspapers having general circulation in its service area once a week for two successive weeks beginning at least 35 days prior to the hearing;

6. That DENC shall file affidavits of publication on or before the date of the hearing; and

7. That the parties shall comply with the discovery guidelines established herein.

ISSUED BY ORDER OF THE COMMISSION.

This the 23rd day of August, 2021.

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing in the annual fuel charge adjustment cost recovery proceeding for Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (DENC). The public hearing has been scheduled to begin immediately following the hearings in Docket Nos. E-22, Subs 603 and 604, which are scheduled to begin on Tuesday, November 16, 2021, at 10:00 a.m., in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. This proceeding is being held pursuant to the provisions of N.C. Gen. Stat. § 62-133.2 and Commission Rule R8-55 for the purpose of determining whether an increment or decrement rider is required to allow DENC to recover all reasonable and prudently incurred fuel and fuel related costs. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

On August 10, 2021, DENC filed its application for approval of its fuel and fuel-related cost recovery pursuant to N.C.G.S. § 62-133.2 and Commission Rule R8-55. By its application, DENC requests revisions to its fuel and fuel-related recovery rider effective for service rendered on and after February 1, 2022. According to its application, DENC is requesting a total annual fuel revenue increase of approximately \$22.0 million from the fuel and fuel-related costs currently in effect.

DENC's proposed fuel revenue increase, including regulatory fee, would result in the following increases for DENC's customers: 0.5118 cents per kilowatt-hour (kWh) for residential, outdoor lighting and traffic lighting customers; 0.5102 cents per kWh for small general service and public authority customers; 0.5059 cents per kWh for large general service customers; 0.4907 cents per kWh for rate schedule NS customers; and 0.4989 cents per kWh for rate schedule 6VP customers. The net effect of this request would increase the monthly bill of a residential customer using 1,000 kWh of electricity by \$5.12.

Specific information may be obtained from the Office of the Chief Clerk, North Carolina Utilities Commission, Raleigh, North Carolina, where a copy of DENC's

application is available for review by the public, and on the Commission's website at www.ncuc.net.
