D.A. perusing Waffle House case findings

The Sampson Independent

CLINTON — The District Attorney's Office is wading through a wealth of information collected by state investigators detailing a May 4 arrest at the Waffle House in Warsaw.

A Warsaw Police officer's use of force has been put under a microscope after a video went viral showing the officer grabbing a 22-year-old man by the throat and pinning him to the ground to subdue him.

District Attorney Ernie Lee, who represents Sampson, Duplin, Jones and Onslow counties, said his office had received the State Bureau of Investigation report on the use of force case at the Waffle House, located on N.C. 24 near Interstate 40, not far from the Sampson-Duplin line.

Lee said the report "is substantial in length." The report, videos and all other evidence provided by the SBI will now be reviewed by Assistant District Attorney

Arneatha Gillis and Lee.

"I was in contact with the SBI at 5:27 p.m. and the SBI has in its possession numerous videos that will be provided to this office as well. I do not have those videos at this time, but anticipate those very soon," Lee said in a prepared statement Tuesday evening. "This office will make and announce any decisions after thoroughly reviewing the evidence and consulting with the SBI."

The SBI probe was

launched after video circulated on social media showing Warsaw Police Officer Frank Moss grabbing 22-year-old Anthony Wall in the neck area and pinning him to the ground in the Waffle House parking lot. Wall was dressed in formal attire, having reportedly escorted his sister, to prom.

Moss responded to the Waffle House after an employee hit the panic alarm due to a verbal altercation between Wall and the restaurant's servers.

Wall was subsequently arrested for disorderly conduct and resisting arrest.

A video posted to Facebook on May 8, four days after the arrest, was widely circulated on various social media platforms and national news sites, including the New York Post.

The officer was quickly identified by various media outlets as Moss, who is shown in the cellphone video grabbing Wall by the throat before wrestling him to the pavement

in an attempt to subdue him. As Wall is on the ground, his head wedged against the curb, Moss has one hand on Wall's right wrist and the other on his face, instructing him several times to put his hands behind his back. Wall repeatedly says "get your hands off of me."

Lee previously said he was made aware of the May 4 incident on May 9 when contacted by Warsaw Police Chief Eric Southerland.

Bid for unprecedented start thwarted

LAKE WACCAMAW — Felled by its service game, West Bladen lost for the first time in four outings Thursday, falling in four sets to host East Columbus.

The Lady Knights, in their third match away from the Castle, fell 22-25, 25-23, 25-17, 25-15. West Bladen (3-1, 2-1 Three Rivers Conference) was bidding for its first 4-0 start under eighth-year head coach Gaye Davis, having already matched the 3-0 starts of 2012 and 2016.

"The girls did not play to their potential," Davis said. "They had an off night."

Davis said 20 service errors swayed the team's fate.

"We all have an off night and this was ours," she said. "You can not spot a team 20 free points and be successful. We have to improve our serving."

South Robeson comes calling this evening and Cape Fear

Academy on Wednesday before a trip to perennial Three Rivers contender Whiteville.

Senior Raegan Davis had 13 kills, 13 assists and 10 service points. Jordan Benson added 10 assists and Mikayla Hunt had eight kills. The coach said senior Callie Lewis had a solid night for West Bladen.

In the JV match, West Bladen fell 25-14, 25-20. Kaylee Paeled in service points and Hannah Pait and Ashlyn Cox in kills.

Lady Eagles dented ELIZABETHTOWN — East Bladen tumbled to its fourth straight volleyball loss Thursday, falling in five sets to Red Springs.

The Lady Eagles (1-4) had lost all three matches in the Three Rivers Conference the first two weeks of the season. Road dates at West Columbus' and Fairmont are up next.

Eagles draw with Wallace-Rose Hill

ELIZABETHTOWN — East Bladen was denied victory for the first time in four outings Thursday, earning a draw with visiting Wallace-Rose Hill, 2-2, in non-conference soccer.

Intermission was deadlocked 1-1. The Eagles' head coach Jay Raynor (3-0-1) are at South Brunswick on Monday to close pre-Labor Day action. A match originally scheduled Thursday with East Duplin

has been canceled.

Seniors Bryan Monroe, and Pierce Melvin scored goals for the Eagles, with Monroe assisting Melvin.

Sophomore Jacob Priest, in goal, had four saves on six shots.

Aggies prep for ECU with road victory

MONTGOMERY, Ala. — Lamar Raynard threw two touchdowns passes and North Carolina A&T forced four turnovers to help the Aggies hold off Jacksonville State 20-17 and make a winter of new head coach Sam Washington in the season opener for both teams Saturday

night.

A&T, which visits East Carolina on Saturday, is coming off a Historically Black Colleges and Universities championship win over Grambling and a 12-0 season.

Zerrick Cooper completed five straight passes late in the fourth quarter and drove Jacksonville State from its own 20 to

the Aggies' 18 with 26 seconds left. Cooper spiked the ball to stop the clock, but on the ensuing play Darryl Johnson's strip-sack was recovered by Antoine Wilder and the Aggies ran out the clock. Cooper, who transferred from Clemson, finished 24-of-38 passing for 320 yards and two scores in his first start for the Gamecocks.

Column: A different level of Tigermania this time around

By Doug Ferguson
The Associated Press

PARAMUS, N.Y. — Tiger Woods seems to be bigger now than when he was good.

Not that he's all that bad. Remember, it was just seven months ago that Woods began his year not knowing how his game would respond to four back surgeries that limited him to 19 starts on the PGA Tour and kept him out of the FedEx Cup playoffs since 2013.

Not only did he make it to the PGA Tour's version of a postseason, he starts The Northern Trust at No. 20 out of the 125 players who qualified.

He is playing well enough to win. Even so, this is one time Woods will consider it a very good year even if he doesn't.

"No doubt," Woods said. "I didn't know if I was ever going to play again. And that might explain the reaction to him."

It's not just the headlines he makes for finishing 12th or the shot-by-shot TV coverage at every tournament. It's the response outside the ropes that keeps getting bigger and louder, week after week, from Palm Harbor to Fortman, from the British Open to Belvedere.

Stewart Cink described

the third round at the PGA Championship as "a pretty intense environment" playing with Woods, this from a man who played with him (and often lost to him) during a time when Woods looked close to unbeatable. "I think everyone at the golf course cheers for him," Brooks Koepka said after winning the PGA Championship at Belvedere while hearing one ear-splitting cheer after another for Woods on the back nine.

"Tigermania first struck in 1997 with his watershed victory at the Masters. It hit again during a stretch from 1999 through 2001, when Woods won five of six major championships and 19 out of 38 events on the PGA Tour.

And now it's back at full tilt for a guy who hasn't won in more than five years.

Some of that is because fans thought they might not ever see him play again. And some of that could be from those who wonder how much longer he'll be around.

"I think that people are more ... I guess appreciative," Woods said. "I don't want to make that sound wrong or anything, but they know that I'm at the tail end of my career, and I don't know how many more years I have left. But I'm certainly not like I was

when I was 22. Forty-two, it's a different ball game."

The Northern Trust is the five-year anniversary of Woods first showing undeniable evidence of back problems, dropping to his knees with spasms during the final round on his way to a runner-up finish.

He had back surgery in the spring of 2014, two more in the fall of 2015 that kept him out of golf for more than a year and then fusion surgery on his lower spine — "the last-ditch effort," he called it — in April 2017 that kept him off the PGA Tour another season.

In the midst of that, there was his woeful mug shot from a Florida jail after his Memorial Day arrest on a DUI charge from a bad mix of painkillers.

It was a low point, especially the arrest video. It had the look of being the end of his career.

That seems a distant memory now.

Woods delivered the largest crowd Tampa had ever seen for a golf tournament when he finished one shot behind at the Valspar Championship. He had Carnoustie buzzing when he had the lead for two holes during the final round of the British Open. He shot 64 in the final round at Belvedere, his low-

Tiger Woods on the driving range in preparation for the Wells Fargo Championship at Quail Hollow Club in Charlotte, N.C., on May 1, 2018.

est final round in a major and his best finish in nine years. He probably won't hear noise like that the rest of the year, except maybe at the Ryder Cup.

Woods was appointed a vice captain for the Ryder Cup in February and talked about wanting to make the team. He was No. 106 in the standings. Twelve tournaments later, he finished 11th and is certain to be a captain's pick.

It's been a different kind of year, for sure.

Woods can hear it. And he likes it.

"I've had people into it over the years, but this has been so different," Woods

said. "We go back to how everyone received me at Tampa. That was very special, and I had not received ovations and warmth like that. I guess everyone knows I've struggled and I've gone through four surgeries and I'm trying to work my way back. And it's been tough. People understand that."

Fans can relate to him more, even though he hasn't won.

Maybe it's because he's not winning all the time that they can relate to him more as a player instead of a machine. Woods has used the

word "blessed" just about every week. He is playing again, when a year ago he had not even been cleared to swing a club. And it doesn't hurt to get treated like a rock star everywhere he goes.

It's one thing to be looked upon with awe. That comes from winning, from the kind of dominance golf had never seen.

It's another thing to feel the love.

"As I've said before, this has been a blessing," he said. "But man, it's been so special to have this opportunity. I'm certainly not taking it for granted, that's for sure."

Eagles start on top of 1st AP Pro 32 poll of 2018 season

By Simmi Buttar
The Associated Press

NEW YORK — The Eagles are looking for a Green Repeat.

Led by Nick Foles, the Philadelphia Eagles won their first Super Bowl last season with a 41-33 victory over the New England Patriots.

Foles took over last season when Carson Wentz tore the ACL and LCL in his left knee. Wentz is not expected to be ready when the Eagles begin their defense on Sept. 6 by hosting the Atlanta Falcons to open the NFL's regular season. The Patriots are the most recent team to win consecutive championships, winning Super

Bowls 33 and 39. And the Eagles will start their quest as the top team in the first AP Pro 32 poll of the 2018 season.

The Eagles received six of the 12 first-place votes and 367 points in balloting by media members who regularly cover the NFL.

The Patriots, who have been to eight Super Bowls in the Tom Brady and Bill Belichick era, were a close second — just as they were in the loss to the Eagles in Minneapolis. The Patriots received three first-place votes and finished with 366 points.

“As long as the Killer B’s, Brady and Belichick, reside in

Foxborough, the Pats will loom as the team to beat,” said Ira Kaufman of SB Nation Radio.

The Minnesota Vikings, who lost to the Eagles in the NFC championship game, are No. 3. The Vikings added quarterback Kirk Cousins in the offseason to a team with high expectations.

“Is Kirk Cousins the answer? That’s the only question about this team,” Pro Football Talk’s Charan Williams said.

The Los Angeles Rams, who won the NFC West last season, earned two first-place votes and are No. 4.

(Brandin) Cooks dynamite in new offense,” Fox Sports’ John Czarnicki said of the speedy wide receiver who had 1,082

yards last season in New England.

The Pittsburgh Steelers, who won three of the past four AFC North titles, are No. 5. Drew Brees and the Saints received the other first-place vote and will start the season at No. 6.

“My projected Super Bowl winner leads this list,” said Alex Marquez of The Sporting News. “Tom Benson would have loved the Super Bowl 53 post party.”

The Jacksonville Jaguars, who were in position to reach the Super Bowl until blowing a fourth-quarter lead at New England in the AFC title game, are No. 7.

The Jaguars will start the

season short-handed after they lost receiver Marquise Lee for the season with a knee injury. He was hurt in a preseason game against the Falcons, who are No. 8 in the poll.

The Packers, who slumped to a 7-9 season after Aaron Rodgers broke his collarbone, will begin at No. 9.

And L.A.’s other team, the Chargers, rounded out the top 10. At the bottom of the poll, the Colts will start at No. 30 despite the return of franchise QB Andrew Luck.

The Browns, who have lost 31 of 32 games in the past two seasons, are fittingly No. 31. The Browns will have a tough opener as they host the Steelers.

NOTICE OF PUBLIC HEARING
 Pursuant to Section 158-7.1 of the North Carolina General Statutes, the Trinity City Council (the "Council") will consider entering into a Building Reuse Grant and to appropriate and expend city funds an economic development project (the "Project") with a current business located in the City of Trinity. The goal for this Project is for the expansion of the business. If approved the Project is eligible for a Building Reuse Grant from the N.C. Department of Commerce, Rural Development Division, up to \$137,500.00.

This type of grant requires the submission of an application for the City of Trinity (the "City") for the grant funding. In its role as an applicant, the City has to commit no more than \$5,000 for this Project. The Randolph County Board of Commissioners will be asked to consider providing half of this local match (\$2,500.00) with the City providing the remaining \$2,500.00. However, as part of its evaluation of whether to apply for the grant, the Council will consider the merits of the Project with the analytical assumption that the local match will be the sole responsibility of the City. In return for the proposed economic development project, the business must make a capital investment of no less than \$300,000 for (real property). The business must create 64 jobs and create 11 new full-time jobs in the City of Trinity. If the application is approved, the City will fund the local match payment with available revenues in the City's General Fund. The public hearing will be held during a Special Council meeting that will begin at 5:30 p.m. on Tuesday, August 28, 2018, in the council chamber located at the Annex Building 6703 NC Highway 62, Trinity, NC 27370. All interested persons are invited to attend and present their views.

SUBSTITUTE TRUSTEE'S NOTICE OF FORECLOSURE SALE OF REAL PROPERTY
THIS ACTION BROUGHT PURSUANT TO THE POWER AND AUTHORITY contained within that certain Deed of Trust executed and delivered by James E. Marra and Sofrino S. Gatanas and recorded May 22, 2000 in Book 3020 at Page 1487 in the Office of the Register of Deeds of Guilford County, North Carolina. As a result of a default in the obligations contained within the Foreclosure Note and Deed of Trust and the failure to carry out and perform the stipulations and agreements contained therein, the holder of the Indebtedness secured by said Deed of Trust made demand to have the default cured, which was not met. Therefore, the undersigned Substitute Trustee will place for sale that parcel of land, including improvements thereon, situated, lying, and being in the City of Greensboro, County of Guilford, State of North Carolina, and being more particularly described in the heretofore referenced Order of Trust. Said sale will be a public auction, to the highest bidder for cash, at the usual place of sale at the Guilford County Courthouse, Greensboro, North Carolina on September 5, 2018 at 10:00 A.M. Address: 1315 Wakefield Place, Greensboro, NC 27410 Tax Parcel ID: 0075450 Present Record Owner: James E. Marra and Sofrino S. Gatanas. The terms of the sale are that the real property hereinbefore described will be sold for cash to the highest bidder. A deposit of five percent (5%) of the amount of the bid or Seven Hundred Fifty Dollars (\$750.00), whichever is greater, is required and must be tendered in the form of certified funds at the time of the sale. The successful bidder will be required to pay revenue stamps on the Transfer Tax and costs for recording the Trustee's Deed. The real property hereinbefore described is offered for sale "AS IS, WHERE IS" and will be sold subject to all superior liens, unpaid taxes, special assessments, and other encumbrances. Other conditions will be announced at the sale. The sale will be held open for (10) days for upset bids, as by law required. The sale will not continue until there have been ten (10) consecutive days with no upset bids having been filed. If for any reason the Trustee is unable to convey the sale to the purchaser, the sole remedy of the purchaser is the return of the bid deposit. Furthermore, if the validity of the sale is challenged by any party, the Trustee, in its sole discretion, if it believes the challenge to have merit, may declare the sale to be void and return the bid deposit. In either event, the purchaser will have no further recourse against the Trustee, the Mortgagee, the Mortgagee's attorney, or the Trustee. Additional Notice Required for Residential Real Property with Less Than Fifteen (15) Rental Units: An order for possession of the property may be issued pursuant to G.S. 45-21.23 in favor of the purchaser and against the party or parties in possession by the clerk of superior court of the county in which the property is sold. Any person claiming a lien being held pursuant to a rental agreement entered into or renewed on or after October 1, 2007, may after recording the notice of sale, terminate the rental agreement by providing written notice of termination to the landlord, to be effective on a date stated in the notice that is at least 10 days, but no more than 90 days, after the sale date contained in the notice of sale, provided that the mortgagee has not cured the default at the time the tenant provides the notice of termination. Upon termination of the rental agreement, the tenant is liable for rent due under the rental agreement prorated to the effective date of the termination. GENERAL INFORMATION
 I specialize in repairs. When you decide to replace something, that is existing, instead of repairing what is existing, you are exposing yourself to a lot of potential problems. I realize, that you may not have the ability, to know, what is fixable and what is not, and that makes it easy to say I will just buy a new one but the first step in solving a problem, is making sure your underlying what the problem is. You might not have the ability to make a confident decision, as to where you should repair or replace, what you have, but if you will give me a chance, I feel confident that I can explain things to you, so that you can make a confident decision when it comes to the decision you make. Let us try to see what you can do that is good and only repair or replace what needs to be repaired or replaced. This is usually cheaper, faster and easier to predict how things are going to go. I am not saying repairing is always better, but I am saying you are not going to know until you let me check it out.
 If you have been told something that doesn't sound right to you, or has caused you to have questions or if you have questions that are related to the plumbing, electrical or air conditioning systems of your home, for any reason, I can not wait to have the chance to try to answer your questions. If you are ready for a different type door where your sliding glass door is, you have several good, more secure, more energy efficient options. Windows repaired and replaced. Repair and replacement of inside and outside fan motors, compressors and capacitors replaced, inside and outside units cleaned. If you have been told, you have a bad compressor, or told that your unit needs to be replaced, I will be glad to give you a 2nd opinion. If I put your unit back in service, usual parts and labor rates will apply.

GENERAL INFORMATION

I specialize in repairs. When you decide, to replace something, that is existing, instead of repairing what is existing, you are exposing yourself to a lot of potential problems. It makes it easy to say I will just buy a new one but the first step in solving a problem, is making sure you understand what the problem is. You might not have the ability, to make a confident decision, as to where you should repair or replace, what you have, but if you call on me a chance, if I feel confident I can explain things to you, so that you can make a confident decision when it comes to the decision you make. Let us try to keep what you have, that is good and only repair or replace what needs to be repaired or replaced. This is usually cheaper, faster and easier to predict how things are going to go. I am not a roofing repairman it is always better, but I am saying you are not going to know until you let me check it out.

If you have been told something that doesn't sound right to you, or has caused you to have questions or if you have questions that are related to the plumbing, electrical or air conditioning systems of your home, for any reason, I can not wait to have the chance to try to answer your questions. Same location 28+ years, bonded contractor 22+ years.

GENERAL INFORMATION
 I understand in repair. When you decide to replace something that is missing, instead of replacing what is missing, you are exposing yourself to a lot of potential problems. I realize, that you may not have the ability to know what is fixable and what is not, and that makes it easier to say I will buy a new one but the best step in solving a problem, is making sure you understand what the problem is. You might not have the ability, to make a confident decision, as to where you should repair or replace what you have, but if you will give me a chance, I feel confident that I can explain things to you, so that you can make a confident decision when it comes to the decision you make. Let me try to help what you have, that's good and only repair or replace what needs to be repaired or replaced. This is usually cheaper, faster and easier to predict how things are going to go. I am not trying to replace in always better, but I am saying you are not going to know until you let me check it out.
 If you have been told something that doesn't sound right to you, or has caused you to have questions or if you have questions that are related to the plumbing, electrical or air conditioning system of your home, for any reason, I can not wait to have the chance to try to answer your questions. NOTICE OF PUBLIC HEARING
City Council of the City of Morganton
 September 11, 2018
 8:30 P.M.

As required by North Carolina General Statutes Section 150-2.1, the City Council of the City of Morganton hereby gives notice that it has scheduled and will conduct a public hearing to consider an economic development grant agreement with a Company (identified for purposes of confidentiality as "Company") proposing to develop a new industrial facility in Morganton. The Company proposes repurposing an existing unoccupied industrial facility, investing approximately \$11,500,000 in new plant and equipment, and creating about 42 new full-time jobs over an 11 month period.

The public hearing will be conducted on Monday, September 18, 2018 at 6:30 p.m. or as soon thereafter as the matter can be reached. In the City Council Chambers at City Hall, 305 East Labor Street, Suite 110A, Morganton, NC.

The proposed economic development grant agreement with the Company known as "A" would be a joint venture endeavor between the City of Morganton and the County of Burke. Each of the two governing bodies will make its own decision upon the proposed grant agreement after each conducts its own public hearing.

The proposed grant agreement would provide for reimbursement to the Company for improvements to private property to the extent of grants equal to 50% of the amount of return property taxes which would be paid to the County and the City due to the increased tax base created by the Company's capital investment. The "Taxpayer" from which the income due is calculated would be the tax status as of January 1, 2018, with the initial payment being calculated based on the increase reflected by the January 1, 2018 valuation. These grants would be for a period of three (3) years. As a condition for continued receipt of the grants, the Company must create at least 42 new full-time jobs, and otherwise comply with the terms of any other state supported grants, by the end of calendar year 2020.

In considering the grant of funds, the Board of Commissioners and the City Council will take into consideration prospective tax revenues from improvements to be constructed by the County as to the property, expected additional sales tax revenues, the creation of new jobs by the Company, and other public benefits to be derived from the project. Any appropriation or expenditure of funds by either the County or the City under the proposed agreement will be paid out of the general funds of the County or the City.

Additional information regarding the construction or expansion project, and the proposed grant agreement, may be obtained by contacting Burke Development, Inc. ("BDI") at (828) 764-4712; 2122 S. Sterling Street, Suite 150, Morganton, N.C. All interested persons may attend the public hearing at that place and time and will be provided an opportunity to express concerns on the subject. If reasonable A.R.A. accommodations are needed to participate, please contact the City Manager's office at (828) 438-3163 at least 48 hours prior to the public hearing.
