BY THE COMMISSION: On July 11, 2024, Avery Owner, LP, (Applicant) filed with the Commission a notification of revised rates and fees for charging for water and sewer service to its customers in Avery Place Apartments in Mecklenburg County, North Carolina, the increased cost of purchasing water and sewer service from the City of Charlotte (Charlotte).

Based upon the filings of the Applicant, the Public Staff recommends approval of a monthly administrative fee of \$10.20 (consisting of \$3.75 for the Applicant's meter reading, billing, and collection costs plus a pass through of Charlotte's \$6.45 base charges for water and sewer service). Based upon 4,000 gallons per month usage and rates of \$2.85 per 1,000 gallons for water and \$7.93 per 1,000 gallons for sewer, the total monthly bill will be \$53.32 (\$43.12 usage charge and \$10.20 administrative fee).

Based upon the foregoing, the Commission approves the Public Staff's recommendation. Further, the Commission concludes that if Charlotte's base charges or usage rates should be reduced for any reason, the Applicant should be required to notify the Commission immediately for a tariff revision.

Lastly, if the service area is sold or the ownership changes, the Commission concludes that the Applicant and the new owner should be required to promptly file an Application for Transfer of Authority (Form WR-2). The failure to do so may result in revocation of the certificate of authority and suspension of rates.
