Except as provided in Item No. 30, all ferries and trams will operate according to the schedules shown in Items No. 53, 54, 55, and 56 as long as there are passengers to be transported. Holiday Schedules and Additional Ferry Services are shown in Items No. 50 and 51, respectively. Item No. 30-B Operational Notices

Safe Operations

Bald Head Island Transportation, Inc. reserves the right to cancel service if the weather or sea conditions could be hazardous to safe operations or if there is an equipment malfunction.

Prearranged Service

All transport service is subject to the availability of ferry and tram capacity, on a first-come, first-served basis. Tram service is not guaranteed but is provided if seating capacity is available for those ticket classes where tram service is included. The number of trams scheduled for operation to support ferry runs is based upon anticipated ridership. Tram reservations made well in advance are recommended. Passengers without tram reservations will be allowed to ride an available tram on a first-come, first-served basis, secondary to reserved seating and subject to capacity restrictions.

Baggage Handling

The transfer of passenger baggage between the baggage racks and the ferry at Deep Point and Bald Head Island terminals on all ferry runs will be provided for passengers, excluding those passengers holding Class IV No Frills, Class V Contractor, and Class VI Employee tickets. All checked baggage must have a closed top (e.g., zipped, fastened, etc.) or affixed lid, such that its contents will not spill in transit.

CLASSIFICATIONS AND FARES

Item No. 40-D Fares and Charges

All fares are round trip unless otherwise indicated. The following fares include the utilization of the Bald Head Island tram service to and from the point of embarkation and debarkation, unless otherwise noted.

All passenger tickets are honored on the contractor ferry runs; that use does not need special identifiers/permissions on schedules the way Contractor ticket use of passenger ferries does. However, contractor ferry runs do not have baggage handling; passengers do retain tram privileges if their ticket qualifies for tram service.

A Fuel Surcharge may apply in addition to the fare prices shown below. Refer to Item 45 herein to determine if a Fuel Surcharge is applicable.

Tram service is not guaranteed but is provided if tram seating capacity is available. Tram reservations made well in advance are recommended.

Passengers are required to present a valid ticket before boarding on each leg of the round trip. Tickets are electronically scanned for validity and are limited to one round trip. Passengers not in possession of a valid ticket for the second leg of the round trip will be required to purchase a replacement ticket or a Class X One-Way to present for scanning before being allowed to board.

Class I – General Fare \$23.00

Applicable to all persons traveling to Bald Head Island from Southport when they DO NOT qualify for any other fare noted in this tariff. Tram service is not guaranteed but is provided if seating capacity is available. Tram reservations made well in advance are recommended.

Class II – Bulk 40 \$17.50

Available to persons or organizations who purchase packages of forty ferry tickets at one time. Tram service is not guaranteed but is provided if seating capacity is available. Tram reservations made well in advance are recommended.

Tram service is not provided.

Class IV - No Frills **\$14.00**

Available for purchase only on Bald Head Island to persons living or staying on Bald Head Island. Tickets are valid only on the day of purchase for round trip transportation from Bald Head Island to Southport and return. No baggage or tram service is available with this ticket; parcels must be hand carried by the ticket holder.

Class V - Contractor **\$14.00**

Available to bona fide contractors traveling to the island to provide service on the island. Fare not available on Saturdays and Sundays. QR Code Exit Passes are \$6.00 per use-swipe to get out of a daily ticketed lot only (General Lot and Contractor Lot). QR Code Exit Passes are the responsibility of the businesses purchasing them and they are responsible for keeping track of their balances. Each business is given a code to go online to our website and view their balances.
- \$20.00 - Oversized Vehicle – Barge Landing Overnight-Oversized Parking - We charge an oversize rate of \$20.00 per day (this rate is based on a customer's vehicle taking up the equivalent of two standard-sized parking stalls). Barge Vehicle-Oversized Vehicles are parked in designated parking stalls located behind the Shipping & Receiving facility. All customers receive a tag to show they have paid before parking. This is the only parking area that we require prepayment before parking the customer. These spots are on a first come, first serve basis.

Please note that on a case-by-case basis, BHIL provides accommodation in the Employee Lot for employees who may have to stay overnight on occasion. Examples include the Conservancy, The BHI Club chefs who sometimes stay a few nights in a row, and employees of the Village who may need to stay on-island on occasion.
