Good Morning Mike,

I do appreciate Buddy responding promptly to your request. We are going to work very hard to get our system in good working order and make sure that communication is passed quickly and accurately to our community.

We do accept the rates and bond request made by Public Staff. Hopefully we will have more accurate information next year to better represent our cost and expenses in running our system. I, Lex West, Member of the Springdale Water and Sewer, LLC, would request that we cancel our hearing scheduled for April 23rd. Thank you for your help to this point and please continue to guide us as we more accurately represent and proficiently operate our utilities company.

Regards,

Lex West - Member
Springdale Water & Sewer, LLC
