Re: Docket Nos. W-354, Subs 356A and 360  
Carolina Water Service, Inc. of North Carolina Application for  
Approval of Water and Sewer System Surcharge (“WSIC/SSIC”) Rate  
Adjustments Pursuant to G.S. 62-133.12

Dear Ms. Jarvis:

Attached for electronic filing please find a new version of the Appendix A to the WSIC/SSIC filing made by Carolina Water Service, Inc. of North Carolina (“CWSNC” or “Company”) on January 31, 2019.

The original filing contained an Appendix A that used data from CWSNC’s 2017 rate case Order, which was in W-354 Sub 356. At the time of filing, the Order in the Sub 360 rate case had not been issued. That Order issued on February 21, 2019, and thus updated numbers are now available.

CWSNC has provided the Public Staff a copy of the Excel version of a new Appendix A, recalculated using the Sub 360 numbers. The Public Staff and Commission staff have requested that the Company re-file this Appendix so that the new numbers are in the record, and we do so by this filing.

As always, thank you and your staff for your assistance; please feel free to contact me if there are any questions or suggestions.

Sincerely,

**Electronically Submitted**
