RE: Duke Energy Progress, LLC's Quarterly Notification of DSM/EE Program Changes; Docket No. E-2, Sub 931

Dear Ms. Jarvis:

Pursuant to the Demand-Side Management and Energy Efficiency ("DSM/EE") Program Flexibility Guidelines ("Flexibility Guidelines"), initially approved by the Commission in its January 20, 2015 *Order Adopting Revised Cost Recovery Mechanism and Granting Waivers* in Docket No. E-2, Sub 931, enclosed please find Duke Energy Progress, LLC's Quarterly Notification of DSM/EE Program Changes for filing in connection with this matter. Because the changes to the Nonresidential Smart Saver Energy Efficient Products and Assessment Program and the Residential Multi-Family Energy Efficiency Program referenced in the enclosed notification do not require Commission approval under the Flexibility Guidelines, this filing is for informational purposes only.

Please contact me if you have any questions.

Sincerely,

Electronically Submitted
