Docket Nos. W-354, Sub 411 and W-1148, Sub 22
Certificate of Service---Notice to Customers of Cancellation of
Public Hearing

Dear Ms. Dunston:

Carolina Water Service, Inc. of North Carolina (“CWSNC” or “Company”) hereby files the Certificate of Service for the Notice to Customers, required by the Commission pursuant to its Order in these dockets dated July 11, 2023.

In addition to mailing the customer notice by July 12th, as directed by the Commission Order, CWSNC has collaborated with other parties to determine the quickest way to actually provide notice to the customers. With the cooperation of the Mountain Air Property Owners Association and its counsel, notice of the cancellation was sent electronically to the property owners by the POA Chair on July 12th, and will be re-sent on Friday, July 14th. CWSNC thanks the POA leaders for their assistance and cooperation—they provided a service to all.

Finally, I hereby certify that I have today served a copy of this filing on the parties to these proceedings.

As always, we thank you and your staff for your assistance; please feel free to contact me if there are questions or if additional information is required.
