Re: W-1049, Sub 25, and W-1328, Sub 2 - Delinquent Annual Reports - A & D  
Water Service, Inc.

Dear Mr. Deaver:

On April 13, 2021, the Public Staff mailed a letter to A & D Water Service, Inc. (A & D), stating that A & D had not filed A & D's 2017, 2018, 2019, and 2020 Annual Reports with the Commission. A copy of this April 13, 2021, letter is attached. Each public water and wastewater utility is **required by law** to file an annual report each year with the Commission on or before April 30 for the preceding calendar year (G.S. 62-36 and Commission Rule R1-32). All the A & D Annual Reports for those four years are delinquent.

G.S. 62-36 states

"The Commission may issue an order, without notice or hearing, canceling or suspending any certificate of convenience and necessity or any certificate of authority 30 days after the date of service of the order for failing to file the required annual report at the time it was due."

As A & D Water is delinquent on the required four years of annual reports, the Public Staff **will not** process the application to transfer all the A & D Water water and wastewater utility systems and the water and wastewater public utility franchises to Red Bird Water filed on October 9, 2020, in Docket Nos. W-1049, Sub 25, and W-1328, Sub 2. That transfer application **will not proceed** until A & D Water has filed with the Commission complete Annual Reports for the years 2017, 2018, 2019, and 2020.

A copy of this letter is being sent to the attorney for Red Bird Water.

Sincerely,

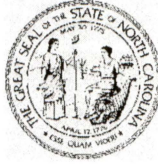

/s/ William E. Grantmyre
