Subject: Public Testimony - New Bern, August 28, 2018 - Craven County Courthouse

Docket No. W-354, SUB 360

I attended the Public Hearing last night at the Craven County Courthouse in New Bern, NC re Rate Adjustment Mechanism/Increasing water and sewer rates.

I would like the name of the female Public Staff Attorney who was at the hearing taking the names of the witnesses. In particular, I would like to know on what website and when we can expect to read all the testimony; no information was given to us regarding this and I cannot find it anywhere on any of the many sites I have searched.

Thank you for your help in getting me this information.
