**Re: Application by Red Bird Utility Operating Company, LLC for a Certificate of Public Convenience and Necessity for Pine Mountain in Burke County, North Carolina and Approval of Rates
Docket No. W-1328, Sub 11**

Ms. Dunston:

On behalf of Red Bird Utility Operating Company, LLC ("Red Bird" or the "Company"), I file the enclosed proposed Revised Notice to Customers.

Following Red Bird's mailing of the Customer Notice that was previously approved by the Commission on January 22, 2024, the Pine Mountain Property Owners Association ("Pine Mountain" or the "Seller") informed Red Bird that the Seller had inadvertently provided incorrect information as to the wastewater rate that is currently being charged to the motel and restaurant served by Pine Mountain. The correct rate (\$243.52) is lower than the incorrect rate (\$312.96) contained in the original Customer Notice.

The enclosed Revised Notice includes corrected wastewater rates for the motel and restaurant currently served by Pine Mountain based on information recently provided by the Seller. None of the other customer rates previously noticed are impacted by this change. Red Bird consulted with the Public Staff, and the Public Staff agrees to the enclosed Revised Notice.

Because the corrected rates impact only the motel and restaurant, Red Bird respectfully requests that the Commission require it to only send the Revised Notice to the motel and restaurant. The Public Staff has indicated that it does not object to this request.

As always, please contact me if you have any questions regarding this filing.

Best regards,

/s/ Molly M. Jagannathan

**STATE OF NORTH CAROLINA
UTILITIES COMMISSION
RALEIGH**

REVISED NOTICE TO CUSTOMERS

DOCKET NO. W-1328, SUB 11

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

Notice is hereby given that Red Bird Utility Operating Company, LLC (Red Bird), 1630 Des Peres Road, Suite 140, St. Louis, Missouri 63131 filed an Application with the North Carolina Utilities Commission (Commission) for a Certificate of Public Convenience and Necessity and for Approval of Rates (Application) seeking authority to provide water and wastewater utility service to Pine Mountain Lakes in Burke County, North Carolina, and approval of rates.

Upon acquisition, Red Bird plans to make approximately \$1,275,000 in capital improvements to the water and wastewater systems over the next five years, including replacing a lift pump station and enclosure for the Wastewater Treatment Plant along with replacing existing electric service and distribution equipment, replacement of existing pump motor controllers and associated controls in five water distribution system stations, installation of surge protector devices in all pump stations, and the installation of Supervisory Control and Data Acquisition (SCADA) systems for tank fill automation and surveillance. According to Red Bird, these improvements, as well as others, are necessary to ensure proper operation of the Pine Mountain water and wastewater systems and provide safe and reliable service to customers. Such investments in the Pine Mountain systems will eventually result in a rate increase, which will be subject to Commission review and approval in a future rate case.

When Red Bird files a general rate case application with the Commission in the future, Red Bird intends to include in rate base the costs associated with purchasing the Pine Mountain systems and its investment in the systems, which would allow Red Bird to recover in rates the reasonable depreciation expense and allow Red Bird the opportunity to earn a return, approved by the Commission, on Red Bird's post-closing investment. Depending on the number of utility systems it has acquired by the time it files a rate case relating to the Pine Mountain systems, Red Bird may seek approval of uniform rates across all its North Carolina utility systems, including the Pine Mountain Community.

EFFECT OF RATES:

Upon acquisition of the Pine Mountain system, Red Bird proposes to continue to charge the current residential flat rates for monthly water and sewer utility services and the flat rate for monthly nonresidential (commercial) water service. In addition, Red Bird proposes to maintain the reconnection charge. The present and proposed rates are as follows:

	<u>Present</u>	<u>Proposed</u>
<u>Monthly Water Utility Service</u>		
Flat Rate	\$35.56	\$35.56
Motel:	\$100.00	\$100.00
Restaurant:	\$100.00	\$100.00
 <u>Monthly Sewer Utility Service:</u>		
Flat Rate	\$27.72 per toilet	\$27.72 per toilet
Motel:	\$243.52	\$243.52
Restaurant:	\$243.52	\$243.52
 <u>Reconnection Charge:</u>		
If water utility service is cut off by utility:	\$14.99	\$14.99
If water utility service is discontinued at customer's request:	\$14.99	\$14.99
If sewer utility service is cut off by utility:	\$14.99	\$14.99

Based on these rates, residents and the three POA buildings would continue to be billed a flat rate of \$35.56 per month for water utility service. The Motel and Restaurant would continue to be billed a flat rate of \$100.00 per month for water utility service. A flat rate of \$27.72 per toilet per month for wastewater utility service for residents and the three POA buildings. A flat rate of \$243.52 per month for wastewater utility service would continue to be charged to the Motel and the Restaurant.

The current monthly service rates were not approved by the Commission because the Pine Mountain service area is not currently regulated by the Commission. The Commission will determine in this proceeding whether the current monthly service rates are just and reasonable and whether to approve the connection and reconnection charges as proposed by Red Bird. In this proceeding, the Commission may change the monthly service rates to be charged until the first rate case.

Red Bird plans to request from the Commission a rate increase and uniform statewide rates to become effective approximately 33 months post-acquisition. The extent of a rate increase that could be requested by Red Bird approximately three years in the future cannot be predicted with certainty at this time because the needed capital improvements and repairs are subject to change. Due to the purchase costs and needed capital improvements and repairs, future rates are expected to be higher than the current rates. Any proposed rate increase will be subject to Commission approval.¹

PROCEDURES FOR PUBLIC HEARINGS:

¹ Any future change in rates proposed by Red Bird would require filing a general rate case application pursuant to N.C. Gen. Stat. § 62-134, notice to customers, a public hearing, and approval by the Commission.

The Commission has scheduled the following hearings on the Application:

Public witness hearing at 7:00 p.m. on Tuesday, February 20, 2024, to be held in the Burke County Courthouse, 201 South Green Street, Courtroom 1, Morganton, North Carolina 28655. *This hearing may be cancelled if no significant protests are received through the submission of consumer statements on or before Friday, February 9, 2024.*

The public witness hearing on Tuesday, February 20, 2024, will be solely for the purpose of receiving the testimony of customers in accordance with Commission Rule R1-21(g). The Commission reserves the right to limit testimony at the public witness hearing pursuant to Commission Rule R1-21(g)(5).

Expert witness hearing at 2:00 p.m. on Wednesday, April 3, 2024, and continuing as necessary until concluded. The hearing will be held in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina, 27603. The hearing scheduled for Wednesday, April 3, 2024, shall be conducted solely for the purpose of receiving testimony of Red Bird, Pine Mountain, the Public Staff – North Carolina Utilities Commission (Public Staff), and any other parties of record.

The Public Staff is authorized by statute to represent consumers in proceedings before the Commission. Consumer statements to the Public Staff should include the customer's name, contact information, and any information that the consumer wishes to be considered by the Public Staff in its investigation of the matter, and such statements should be addressed to Mr. Christopher J. Ayers, Executive Director, Public Staff, 4326 Mail Service Center, Raleigh, North Carolina 27699-4300. Consumer statements may also be faxed to (919) 715-6704.

Consumer statements may be submitted to the Commission via the web form at <https://www.ncuc.gov/contactus.html>. Consumer statements are not evidence unless those persons appear at a public witness hearing and testify concerning the information contained in their consumer statements.

The Attorney General is also authorized by statute to represent the consumers in proceedings before the Commission. Statements to the Attorney General should be addressed to The Honorable Josh Stein, Attorney General, c/o Utilities Section, 9001 Mail Service Center, Raleigh, North Carolina 27699-9001. Written statements may also be e-mailed to utilityAGO@ncdoj.gov.

Persons desiring to intervene in this proceeding as formal parties of record should file a petition to intervene pursuant to Commission Rules R1-5 and R1-19, not later than Monday, February 26, 2024. Such petitions should be filed with the Chief Clerk of the North Carolina Utilities Commission, 4325 Mail Service Center, Raleigh, North Carolina 27699-4300. The direct testimony and exhibits of expert witnesses to be presented by intervenors should also be filed with the Commission on or before Monday, February 26, 2024.

Information regarding this proceeding can also be accessed from the Commission's website at www.ncuc.gov under Docket Number "W-1328 Sub 11."

This the ____ day of _____, 2024.
