Generator Interconnection Standards)	TO FILE NOTICE OF APPEAL
)	AND EXCEPTIONS

BY THE CHAIR: On October 14, 2020, the Commission issued an Order Granting Petition for Limited Waivers in the above-captioned docket.

On November 9, 2020, GreenGo Energy US, Inc. (GreenGo), filed a Motion for Extension of Time to File Notice of Appeal and Exceptions pursuant to N.C. Gen. Stat. § 62-90 and Commission Rule R1-7 requesting an extension of time from November 13, 2020, to December 14, 2020, to file notice of appeal and exceptions to the Order. In support of its motion, GreenGo stated that the Order raises issues of first impression regarding the application of the nondiscrimination requirements of Chapter 62 of the General Statutes regarding the waivers of the interconnection procedures established in the proceeding. The Movant further stated that it needs additional time to fully evaluate the Order, including the impact of the Order on its potential business operations and projects pending in the interconnection queue, and its legal and business options.

Based on GreenGo's motion and the record, the Chair finds good cause to allow the extension of time.

IT IS, THEREFORE, ORDERED that GreenGo shall have an extension of time up to and including Monday, December 14, 2020, to file notice of appeal and exceptions to the Order Granting Petition for Limited Waivers.

ISSUED BY ORDER OF THE COMMISSION.

This the 10th day of November, 2020.
