Re: Docket No. SP- 5273, Sub 0  
Pecan Solar, LLC – Amended Certificate of Public Convenience and Necessity

Dear Clerk Mount:

On June 15, 2015, the Commission awarded a CPCN for Pecan Solar. Pecan Solar is now requesting to amend the CPCN so that one more parcel just south of existing project can be included as part of the project. We realize that this would require another Order for Publication and review by the State Clearinghouse. The following are changes to the application for Certificate of Public Convenience and Necessity to add the additional parcel:

1. Exhibit I, paragraph (iv), Site Owner. Add "Applicant has executed an option to purchase land from with Ellis W. Taylor & Christina W. Taylor.
2. Add the attached property map to CPCN Attachment 1 to Exhibit 2.
3. Add the attached equipment map to CPCN Attachment 2 to Exhibit 2.

Thank you for your assistance.

Sincerely,

Juergen Fehr  
Manager  
Pecan Solar LLC
