Re: Docket Nos. ER-55, Sub 0 and ER-39, Sub 1

Dear Chief Clerk:

The Public Staff has reviewed the filings in the above-referenced dockets and is of the opinion that, as of the October 13, 2016 filing, the application to transfer the certificate of authority to resell electric service at Aspen Charlotte is complete and in compliance with the requirements of G.S. 62-110(h) and Commission Rule R22. The Public Staff, therefore, recommends that the Commission approve the transfer to Breckenridge Group CNC, LLC, subject its compliance with its certified statements within the application and subsequent filings in this docket.

Sincerely yours,

Electronically submitted
