Mr. Fleury,

Thank you for that information. I discussed the matter with Ms. Turner a few minutes ago. As I stated to her, the Applicant can proceed with completing the publication of the Public Notice that was included in the Commission's Order Requiring Publication of Notice dated March 25. This minor correction to the Applicant's name is not material enough to require you to re-publish the Notice.

I am copying the Commission's Chief Clerk, Gail Mount, on this email to ask that she file this email exchange in Docket No. SP-5344, Sub 0.

Thank you.

Mr. Green,
Our notices are running on April 3rd, 10th, 17th, and 24th. Aimes Turner has been working to file the proper paperwork clarifying the proper name for the project.

Kindest Regards,
Paul

Mr. Fleury,

On April 10, you filed a statement correcting the name of the Applicant in SP-5344, Sub 0 from Sadiebrook Solar Farm, LLC, the name used in the initial application, to Sadiebrook Solar, LLC. The purpose of my email is to inquire whether the Applicant has started publishing the Public Notice as required by the Commission's Order Requiring Publication of Notice dated March 25.

Thank you.
