PHOTOVOLTAIC CUSTOMER GENERATORS
AS OF OCTOBER 30, 2008****OFFICIAL COPY**

The following table includes information regarding all customer generators that have applied to interconnect photovoltaic systems with the Company's system. All customers served on the Company's Rider SCG are currently photovoltaic customers.

This table does not reflect other Qualifying Facilities (small-scale hydroelectric, landfill gas, etc.) selling energy to the Company under Schedule PP or negotiated rates. Information regarding such customer generators is available from the NUG Status Report the Company files annually in Docket No. E-100, Sub 41B.
