DOCKET NO. W-1305, SUB 29

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of  
Application for Transfer of Public Utility       )  
Franchises of Old North State Water       )       **NOTICE TO CUSTOMERS**  
Company, Inc. to Pluris Hampstead, LLC       )

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission (Commission) has approved the transfer of the wastewater public utility franchise and systems of Old North State Water Company, Inc. (ONSWC) to Pluris Hampstead, LLC (Pluris). The Commission has also issued a certificate of public convenience and necessity to Pluris authorizing it to provide wastewater utility service throughout Majestic Oaks and Hampstead Shopping Center, Majestic Oaks West, Salters Haven at Lea Marina, Phases 1 and 2, and Forest Sound (formerly known as Southside Commons and before that, Grey Bull) developments.

The Commission has approved for Pluris (as franchise owner) the continuation of the current rates of ONSWC as previously authorized in the Commission's Orders in Docket Nos. W-1300, Sub 11 and M-100, Sub 138.

On February 9, 2021, the Commission issued its Order Requiring Customer Notice in these dockets (Notice Order). In that Order the Commission concluded that the notice to be sent to ONSWC's customers in the subject service areas would communicate to those customers that the Commission may decide this matter on the filings and approve the franchise transfer and continuation of the interim rate, without scheduling a hearing, if no significant protests were filed with the Commission.

One objection or protest has been filed with the Commission relating to the Joint Application or these dockets, in the over two-year period since the Commission's required Customer Notice was mailed.

Pluris has the technical, managerial, and financial capacity to own and operate the wastewaters system assets which it will acquire from ONSWC serving Majestic Oaks and Hampstead Shopping Center, Majestic Oaks West, Salters Haven at Lea Marina,

Phases 1 and 2, and Forest Sound developments, and it is in the public interest that the Joint Application be granted.

This the 19th day of May, 2023.
