**Re: Duke Energy Carolinas, LLC's and Duke Energy Progress, LLC's
Compliance Filing
Docket No. E-100, Sub 158**

Dear Ms. Campbell:

I am writing to inform the Commission that the filings previously submitted by Duke Energy Carolinas, LLC ("DEC") and Duke Energy Progress, LLC ("DEP") on November 1, 2019 in this docket accurately reflect the conclusions reached in the Commission's April 15, 2020 *Order Establishing Standard Rates and Contract Terms for Qualifying Facilities* ("Final Order"). Accordingly, pursuant to Ordering ¶ 33 of the Final Order, the Companies are not required to file revised rate schedules and standard contract terms at this time.

The Companies note that on October 7, 2019, the Commission issued a Notice of Decision in this docket addressing the issues relevant to the calculation of avoided capacity rates and avoided energy rates so that the Companies and the Independent Administrator of the Competitive Procurement of Renewable Energy Program ("CPRE") could proceed with Tranche 2 of the CPRE RFP solicitation. On October 17, 2019, the Commission issued a Supplemental Notice of Decision in this docket addressing issues related to the Companies' proposed integration services charge. Pursuant to the Notice of Decision and Supplemental Notice of Decision that were issued in October 2019, the Companies filed rate schedules, purchase power agreements, and terms and conditions revised to reflect the Commission's conclusions on November 1, 2019. No party objected to the Companies' November 1, 2019 compliance filing, and the avoided cost rates, system integration services charge and standard offer went into effect as filed. The Companies believe that those rate schedules, power purchase agreements, and terms and conditions reflect the

conclusions of the Commission's Final Order, as well, and that no changes are required at this time.

The Companies shared this letter with the Public Staff prior to its filing, and the Public Staff expressed no objection to it.

If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely yours,
