RE: In the Matter of: Application by Duke Energy Progress, LLC (DEP), for Modification of Residential Service Load Control Program, Docket No. E-2, Sub 927; Application by DEP for Approval of PowerPairSM Solar and Battery Installation Pilot Program; Application by Duke Energy Carolinas, LLC (DEC), for Modification of Residential Service Power Manager Load Control Program, E-7, Sub 1032; and Application by DEC for Approval of PowerPairSM Solar and Battery Installation Pilot Program

Dear Ms. Dunston:

Enclosed for filing on behalf of the Southern Alliance for Clean Energy, Vote Solar, and the North Carolina Sustainable Energy Association, in the above-referenced proceeding, please find a corrected version of their *Joint Initial Comments*. The only correction is to include the North Carolina Sustainable Energy Association (NCSEA) as a jointly filing party.

Rule R1-5(f) provides, "Any pleading may be amended or corrected or any omission supplied prior to notice of hearing." We ask the Commission to receive this corrected version of the *Joint Initial Comments* that were originally filed four days ago.

Please do not hesitate to contact me should you have any questions. Thank you.

Best Regards,

/s/ David Neal
