Approval of Solar Rebate Program)	COMPLIANCE FILING
Pursuant to N.C. Gen. Stat. § 62-155(f))	

BY THE CHAIR: On July 8, 2021, the Commission issued an Order Modifying Reservation Install Period (July 8, 2021 Order).

On July 20, 2021, Duke Energy Progress, LLC (DEP), and Duke Energy Carolinas, LLC, (DEC, and collectively with DEP, Duke) filed compliance tariffs to reflect the modifications approved by the Commission in the July 8, 2021 Order. On July 26, 2021, the Public Staff filed a letter in this proceeding stating that it has reviewed Duke's July 20, 2021 compliance filing, finds that the modifications comply with the Commission's July 8, 2021 Order, and recommends that the Commission accept Duke's compliance filing.

No other responses to Duke's July 20, 2021 compliance filing were received by the Commission. The Chair finds Duke's July 20, 2021 compliance filing to be responsive to the Commission's July 8, 2021 Order.

Based upon the foregoing and the entire record in the above-captioned proceedings, the Chair finds good cause to accept Duke's July 20, 2021 compliance filing as documentation of compliance with the Commission's July 8, 2021 Order. The Commission, therefore, accepts Duke's July 20, 2021 compliance filing.

IT IS, THEREFORE, SO ORDERED.

This the 27th day of July, 2021.
