**STATE OF NORTH CAROLINA  
UTILITIES COMMISSION  
RALEIGH**

DOCKET NO. E-100, SUB 180

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of

Investigation of Proposed Net Metering Policy Changes	)	<b>JOINT MOTION FOR EXTENSION OF TIME TO FILE REPLY COMMENTS</b>
---	---	--

---

NOW COME Duke Energy Carolinas, LLC, Duke Energy Progress, LLC (collectively, “Duke Energy” or the “Companies”), Sundance Power Systems, Inc., Southern Energy Management, Inc., and Yes Solar Solutions (collectively, “North Carolina Rooftop Solar Installers”) by and through counsel, and respectfully move the North Carolina Utilities Commission (the “Commission”) for an extension of time, from April 28, 2022 to May 12, 2022, for all parties to file Reply Comments in response to initial comments filed by intervenors in this docket regarding Duke Energy’s proposed net energy metering tariffs. In support of this motion, the Companies and the North Carolina Rooftop Installers respectfully show the Commission the following:

1. Pursuant to the Commission’s January 10, 2022 *Order Requesting Comments*, parties were allowed to file initial comments by March 15, 2022 and reply comments by April 14, 2022.
2. On February 23, 2022, NC WARN and the Environmental Working Group requested a 45-day extension of time to file comments. On March 3, 2022, the Commission granted a 15-day extension of time, making initial comments due March 29, 2022 and reply comments due April 28, 2022.
3. The Companies have been working diligently on their reply comments and have also held discussions with the North Carolina Rooftop Solar Installers regarding certain recommendations in their initial comments. Allowing additional time

will enable Duke Energy and the North Carolina Rooftop Solar Installers to further engage in dialogue in an effort to reach a resolution on these issues.

4. Based on the foregoing, the Companies and North Carolina Rooftop Solar Installers respectfully request an extension, from April 28, 2022 to May 12, 2022, to file reply comments.

5. The Companies and the North Carolina Rooftop Solar Installers submit that no party will be prejudiced by the requested extension.

WHEREFORE, the Companies and the North Carolina Rooftop Solar Installers respectfully request that the Commission grant all parties a 14-day extension of time, until May 12, 2022, to file reply comments in these proceedings, and such other relief as the Commission deems just and proper.

Respectfully submitted this the 22<sup>nd</sup> day of April, 2022.
