Re: Docket No. G-5, Sub 622
Consent of CUCA to Remote Hearing

Dear Ms. Campbell:

On August 4, 2020, the Commission issued an Order establishing certain procedures for the expert witness Hearing in the above-captioned Docket. The Order provided that the parties were required to file a statement, on or before August 10, 2020, either consenting to the Commission holding the expert witness Hearing by remote means or, alternatively, a statement objecting to conducting such Hearing by remote means.

The purpose of this letter is to advise the Commission that: (1) CUCA consents to holding the expert witness Hearing by remote means; (2) CUCA is not sponsoring a witness; and (3) CUCA has no exhibits or cross-exam exhibits to pre-file.

CUCA is forwarding a copy of this letter/notification to all Parties of Record.

Very truly yours,

CRISP & PAGE, PLLC
